

Unareti – A2A Group wins the Milan gas tender

Milan, 5 September 2018 - The Municipality of Milan, the Contracting Authority of the tender for the concession of the natural gas distribution service in the “Milan 1 - City and Plant of Milan” area, has communicated to the A2A Group company UNARETI the definitive award of the tender with an overall score of 98.12 points out of 100.

The MI1 ATEM consists of a total of over 830,000 PdR (redelivery points) active in the Municipalities of Milan, Baranzate, Bollate, Cinisello Balsamo, Corsico, Novate Milanese, and Sesto San Giovanni.

The concession, which lasts 12 years, has a total value of € 1,370,000,000.

The Milan 1 tender is the first area tender completed in Italy and the second largest ever (after the Rome 1 ATEM).
