The Board of Directors of A2A S.p.A. approved a framework resolution for the issue of notes.

Milan, May 12, 2022 – The meeting of the Board of Directors of A2A S.p.A. held today, passed a framework resolution approving and authorising the issue of one or more unsubordinated, unsecured and nonconvertible notes, under its Eur 6 billion EMTN Programme, established in 2012 and being renewed, up to an aggregate amount of Euro 2,4 billion, by 30 April 2023.

Under the EMTN Programme, A2A has the possibility to issue, also, both green and sustainability-linked bonds.

For the purposes of the above, the Chairman and the Chief Executive Officer have been, severally and not jointly, vested by the Board of Directors with the power to implement, subject to market conditions, the Board's resolution in compliance with the limits set forth therein.

The proceeds of these issuances of notes may be used, *inter alia*, to finance and/or refinance the Group's investments and/or maintain adequate levels of liquidity, as well as for the purpose of one or more liability management transactions. Today's resolution is part of the A2A Group's medium-term financial strategy aimed at efficiently managing the Group's future debt maturities, lengthening the average life of debt and supporting the credit rating.
