

AIM Vicenza, AGSM Verona and A2A have signed a letter of intent

20 March 2019 - AIM Vicenza S.p.A., AGSM Verona S.p.A. and A2A S.p.A. have signed today a non-binding letter of intent to consider the potential acquisition of the activities of Ascopiave in the commercialization of gas and electricity and the establishment of a partnership in the gas distribution sector with Ascopiave. The study will also cover the analysis of further strategic options regarding the improvement of the competitive position of AIM Vicenza, AGSM Verona and A2A while exploiting potential synergies and opportunities for value creation, with the purpose of emphasizing operational excellences, relationships with the core areas served and the culture of the three companies.

The analysis, that will initially focus on Ascopiave, will last approximately nine months, after which the parties may agree, should necessary conditions be met, to continue exploiting the project, upon review and approval of their respective shareholders.
