PRESS RELEASE

MILAN, December 28th, 2017 - With reference to envisaged business and corporate partnership among ACSM-AGAM, ASPEM, LARIO RETI HOLDING, AEVV and A2A (the “Parties”), please be informed that, during this month, as anticipated, the preliminary steps have taken place for the adoption of policy resolutions for many of the Municipal Councils involved. Among them, the Municipal Councils of Monza, Como, Lecco, Sondrio and Varese have already adopted a positive resolution.

Since for some of the Municipal Councils, the already scheduled activity did not allow to complete all the steps before December 31st and also taking into account the festivities, the Parties agreed to extend the validity of the Memorandum of Understanding up to January 31st, 2018 and, in any case, until the signing of a binding agreement among the Parties.
