

FULVIO RONCARI

Born in 1965, married.

Graduated from Milan's Università Bocconi in Economics and Business.

Since 2015, he has been head of the Group's Environment Business Unit, with activities integrated in the management of urban and special waste. He holds the positions of Chairman and Managing Director.

In 2022, he joined ASM Brescia S.p.A. and held the position of Head of the Environment Business Unit there until 2007. From 2008 to 2013, he was Managing Director of Aprica S.p.A.. starting in 2008, the company gradually incorporated all the activities of the Environment Business Unit of ASM Brescia.

In 2013, following reorganization of A2A Group activities in the environment sector, which saw all waste treatment and disposal activities concentrated in the A2A Ambiente S.p.A. subsidiary, he was appointed Head of the Urban Waste Business Unit.
