

Press Release

The transaction between A2A and Margherita for the reorganization of the Daunia Wind group has been completed

Milan, 23 November 2022 - In accordance with what has already been announced on October 14, the transaction concerning the reorganization of the group headed by Daunia Wind S.r.l., a company active in the management of wind farms in Italy, was completed today.

With the completion of this transaction, the A2A Group now exclusively owns Daunia Calvello S.r.l. and Daunia Serracapriola S.r.l. (and the related wind farms), while Margherita exclusively owns Daunia Wind and its other subsidiaries.
