

PRESS RELEASE

Milan, 27 February 2026 - Press reports have mentioned rumors about possible transactions involving A2A and ERG. As recently communicated, A2A regularly conducts a review of its strategic options consistent with its industrial plan and, in this context, discusses with many potential partners. It is a normal process in line with management mission to create value for shareholders, employees and customers. To date, many strategic options are being considered as preliminary and explorative thoughts, and no decision has been taken. A2A will keep the public informed of any possible developments in this respect.
